Fathers Joseph/John and most of the La Salette Associates gathered near the site where Bishop Donald tragically lost his life on June 4th 2022. His spirit rises from this location and will be carried to Madagascar vicariously on the sign for his school and on the backpacks of the children attending it. When he encountered children not in school he would ask, "Why aren't you in school today?" and they would reply, "because there is no school!" We are thankful to all of you who have supported building the MGR Donald L. Pelletier, M.S. School. "Now there is a school .. His School!"

Making the message known requires much more than words. It is part of our daily lives that requires us to be attentive to God's will.

Being reconciled with God, being consistent with His will is the goal of all our La Salette Laity. The hospitality of our La Salette Family welcomes all, supporting each other in prayer and action.

In past weeks you have shared in the vocational stories of our two Enfield La Salette Priests, and also of two La Salette Associates. In coming issues of our Bulletin you will be able to read about the La Salette Laity Program — Stay tuned.

## HOLY WEEK

### A BANQUETTE FEAST BEFORE US!

## Come to the Table of Plenty!

As much as a good meal served in a top rated restaurant may be the focus for some ... for others, a parish pot luck dinner is about as good as it gets! Because of our variety of ethnic tastes, food flavored in a home called community often satisfies our desire for, a small serving of this and a small serving of that! This turns out to be a real cool experience for both our eyes and our stomachs.

Can I stretch it just a tiny bit by saying that there is another "Table of Plenty" served, called **HOLY WEEK!** Holy Week is a seven day long buffet of spiritual soul-satisfying and fortifying nourishment. It features all kinds of goodies for the spirit and us to pick and choose according to the tastes and hungers our spiritual needs.

Perhaps you hunger for a taste of humility?  
*It's there for the taking.*

Perhaps you thirst for a shot of courage?  
*It's there for the asking.*

Perhaps you hunger for a slice of God's love?  
*It's there for the yearning.*

Perhaps you desire for a portion of forgiveness?  
*It's there for the taking.*

Perhaps you yearn for a bite of God's strength?  
*It's there for the searching.*

Perhaps you crave for a slice of patience?  
*It's there for the reaching out.*

And those are only the appetizers ... **Bon Appetit!**
